OUR STORY...

After dedicating nearly eight years to the kitchen and bath renovation industry, where I consistently grappled with the pricing dilemma surrounding custom cabinets and the challenges of offering affordable, yet quality cabinets, my journey with Trusty Wood began. Balancing this professional endeavor with the joys and responsibilities of a growing family has been my motivating force.

At Trusty Wood, our objectives are to deliver high-quality cabinets at reasonable prices, catering to retail outlets. Our commitment to quality craftsmanship ensures that our cabinets are not only affordable, but built to stand the test of time.

Trusty Wood also allows me the flexibility to work from home,

reducing the time spent on the road. With a family of seven children, every moment spent together is invaluable. We recognize the unpredictability of life and the importance of cherishing these precious moments.

To expand our reach, we are actively exploring partnerships with furniture stores and other outlets. Trusty Wood's mission is to provide exceptional cabinetry accessible to everyone, and we're excited to bring our products to a broader audience.

In a world where tomorrow is uncertain, Trusty Wood stands as a testament to the pursuit of quality, affordability, and family-first values.

— Mose

The verse for the day from Psalm 118:24...

This is the day which the Lord hath made;
WE WILL REJOICE AND BE GLAD IN IT.
